To Jas, Mercy and Cecille - thank you for your generosity in sharing your story. You have helped Australian students connect with critical global issues on a personal level.

To Cath - thank you for sharing your passion and expertise with almost 1000 students.

To the many volunteers who stepped up and helped out, thank you! From running KidsView workshops, wrapping hampers, setting up dinners and sourcing donations - it certainly takes a team.

To those who attended one of our events. Your presence inspires us to keep going.

To all our donors, thank you. With your (tax deductible) contributions we are changing lives.

To Clare and Charles, thank you for opening your home to host our guests.

To our newsletter readers, thank you for taking the time to follow and support us.

To the committee - well done, we did it!

# Kids View

Launched in 2003 KidsView has inspired more than 20,000 Australian students to do what they can with what they have where they are to make the world a better place for everyone.

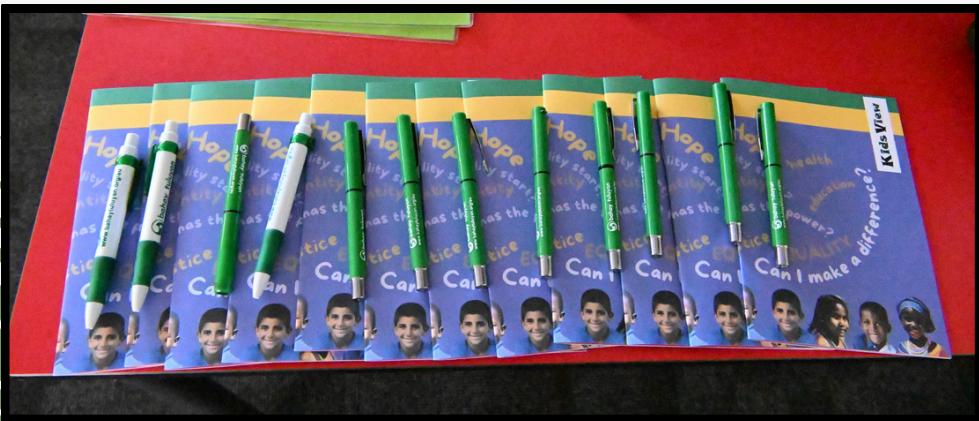

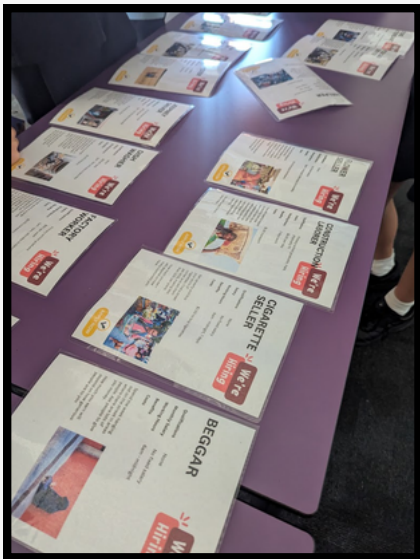

BTPA, with Bahay Tuluyan, directly supports more than **1200** children and youth each year.

BTPA is a children's rights organisation providing support centres for Australians to make lasting change towards a socially just world and building the capacity of our partner organisation in the Philippines, Bahay Tuluyan, to work with children living in poverty. We do this through education, advocacy, volunteering and sustainable development programs.

99% BTPA spends less than 1% of donations on admin costs.

BTPA is 100% volunteer-run.
